

# Thurrock ACE partnership

## Active Citizen Entitlement- Supporting Communities to help themselves

A **FREE** training programme for Voluntary and Community groups and residents in Thurrock.

### What is the 'On a learning curve' training programme?

The programme has been developed to support groups and individuals in becoming more active in their local community This is by offering a range of trainings that are designed to build confidence and to enhance existing skills.

Trainings are **FREE** and informal and are available to people of all ages and expertise. For the latest training programme click here.....

### What type of training is available?

The programme includes a range of trainings that can be delivered over just a couple of hours or sometimes longer dependent on the subject.

### Training subjects have included:

- Basic computer skills
- Using e-mail and the internet
- Website design using front page
- Introduction to Excel
- Introduction into Access
- Basic First Aid
- Volunteering
- Digital photography
- Running effective meetings
- Committee roles & responsibilities
- Chairing, minute taking etc
- Organising events and much more.....

## **Do you have an idea for a training course?**

If so, tell us about it and we may be able to include it in our next programme or provide it direct to your group.

## **Who are the Thurrock ACE partnership?**

The Thurrock ACE partnership has representatives from the Thurrock Adult Community College, Thurrock Council, Thurrock Learning Partnership, NGAGE and the Council for Voluntary services

Ace have been running the 'On a Learning Curve' training programme for a number of years and during that time have given many individuals and groups to access free training.
